

Guiden Sutton Church of England Primary School

Love and Justice for All

2nd September 2022

Dear Parent,

Where do six weeks go?!

I hope you have all had a wonderfully relaxing holiday and are ready to start the new academic year with a bang! We are all excited to see you back and cannot wait to hear all about your summer adventures.

Before we start, I thought I'd send a few bits and pieces out so we can all start as we mean to go on...

- As some of you might already know, we are getting a **new roof!!** This was only confirmed during the first week of the holidays and we are now in the first stage of a long process but so far so good. Although there is a lot of scaffolding and things look a bit different, I will still be there to meet the children every morning as they walk through the same entrance. It will be a bit tighter than usual, so please **take extra care** especially with younger siblings. The skip will have disappeared by next week!

I will keep you updated as the process continues and hopefully everything will be **completed by October half term**. (FINGERS CROSSED!)

Guilden Sutton Church of England Primary School

Love and Justice for All

- Please continue to be punctual and arrive at school before 9am so that learning can begin straight away.
- Our **attendance** figures continue to be between **94% - 95%** which is excellent and well **above the national average**. Thank you for continuing to make attendance a priority.
- As mentioned last term, the **new marigold logo** is starting to filter its way through, but it is not essential. Please continue to utilise our 'preloved' uniform or buy plain red jumpers/cardigans.
- Please ensure your **child/children's name is clearly labelled** in their school uniform.
- Please be **'Nut Aware'** and be mindful when packing lunch boxes as there are a number of children in our school family who have severe allergies.
- Please continue to **park in the village carpark** and not on Arrowcroft Road as we must **keep our children safe**. Ensure you keep within the speed limit and that you keep driveways free so that residents can leave and enter their property.
- **Thank you** for your Call in Friday feedback... **The first 'Call in Friday' will be Friday 7th October** then we will alternate it on different days so that more families have the opportunity to join us when juggling work commitments.
- **A new Home/School Agreement** is attached in School Spider and we would appreciate you spending the time to read it through and agree to it as a family.

Looking forward to seeing you all bright and early on Monday morning.

Best wishes,

Theresa Rainford
