RE: Match funding

25/03/2022

Dear Parent,

You will hopefully be aware of the fantastic work your school and Trustees are doing to raise funds for our school. We wanted to take this opportunity to remind you about the match funding scheme and how a little bit of your time could raise double the funds for our school.

If you work for an organisation that has a match funding policy, any money you raise could be matched by your employer. Companies may match the fundraising total for an event, or for the stall that their employee is working on. Usually, the employee will need to supply them with a letter from the school detailing the date and nature of the event, together with the total raised.

We understand that the high street banks, building societies, supermarkets and large corporations are likely to invest in match funding, but these schemes are not exclusive to the major corporate giants. If you work for an independent company, they may be interested in charitable giving through match funding too.

We would be grateful if you could ask your employer if they would consider a match funding scheme, or if they are willing to match fund any of our upcoming events. If you can't help out this time, but you know the company you work for has a match funding policy, please let us know. This could be a really large source of income for our school and help us raise money for the much needed renovation of the courtyard.

If you are able to help in any way, please contact the school office.

Many thanks in advance,

Theresa Rainford
Headteacher
