

Guilden Sutton Church of England Primary School

Love and Justice for All

Good afternoon,

17/01/2022

We have recently received an update from the Department of Education in regards to the isolation period for all children who have tested positive for Covid-19.

From today, Monday 17th January, "People who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days. If they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6."

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#). If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10-day period of self-isolation.

Further [information on self-isolation for those with COVID-19](#) is available.

To clarify for example:

Please contact school if you have any questions or concerns to avoid any confusion.

Thank you once again for your support, regular communication and your commitment to reducing the spread of Covid-19 in our community.

Kind regards,
Theresa Rainford
